Bring Your Life With You

Come, and bring your life with you

Our concept of assisted living is unlike any other. At Quail Creek, our goal is a successful, vital retirement.

Are you moving toward a new phase of life and seek an invigorating environment? Looking for a place where you can live the lifestyle you hold dear, yet will feel confident the specialized healthcare you may need is within your grasp?

Come, learn more about Quail Creek at Paradise Valley Estates, the community that celebrates the individual spirit of our residents. Here, our philosophy is to invite, invigorate, and actively engage the mind and body of our residents in a safe, secure surrounding.

Home-like Environment, and More

Sunny private apartments, delicious restaurant style dining, a jam-packed calendar of activities, an array of social gatherings, and a fitness schedule to meet your varied physical needs all awaits at Quail Creek, a place residents can truly call home.

Home here is a cozy, one-bedroom, one-bath apartment equipped with a mini-kitchen and living room, so you can entertain family and friends or prepare snacks between meals. But, for all other cooking, leave that to Quail Creek's culinary trained chefs. They will prepare delicious, menu-selected meals for you in Quail Creek's open-grill, restaurant-style dining area, three times a day, seven days a week.

If you're feeling very social, you can hold family gatherings, parties or receptions in any one of the private dining or activity rooms.

"Thank you for your support, personal assistance and enthusiasm in planning my mother's art show and reception. Her family and friends were overwhelmed by

the reception (and) they were thrilled to see her and her paintings. I received so many compliments on the food, the bar and the music." – Susan Jelonek

Prefer a quiet moment? Bring a favorite book or knitting project to one of several libraries or sitting rooms located throughout the community. Feeling neighborly? Join in on our numerous arts and crafts activities, or sit in on a lively game of cards.

"I couldn't believe the social program laid out for all who can participate; the program is so full." – Bal Balensiefer

You can also forget about housekeeping, maintenance, and even driving, if you wish. Transportation services can be arranged to shuttle you to medical appointments or scheduled outings.
